

Travel Information:

258 Johnson Ave.
Brooklyn, NY, 11206

If you are flying in for the event, LaGuardia is the best airport to fly into, as it is just ½ hour from the airport to the venue. Flying into Newark or JFK will take at least a half hour longer to get to the venue.

If you are traveling from Penn Station, here is the link for directions from the subway to the venue. <http://tinyurl.com/y72pv9t8>

From the airport to the venue we recommend using Uber or Lyft as public transportation would require a bus rider and two subway trains. If you are a first time UBER user, here is a coupon code for a discounted ride. <https://www.uber.com/airports/lga/>
